Stepping Stones

Presentation 1 – 4 pm

The caretaker of the home of AA and Al-Anon co-founders, respectively, will share the life story of Bill and Lois Wilson; from their childhoods and their love story to his drinking and finding sobriety, to how their legacy lives on today and into the future. A power point presentation entitled "Bill and Lois Wilson and the AA Way of Life" consists of never before seen pictures, archival material and audio. Lois Wilson left the Stepping Stones Foundation to all of us. This is your chance to share in the experience.
