***AM I RESPONSIBLE?***

*"Good communication is of vital importance. In personal Twelfth Step work, there is no end to communication. The sponsor talks with the drunk; speakers share their experience; we share with each other. But when it comes to general service work, communication has a tendency to break down. It can take hard work to get the attention of alcoholics, but with a creative approach, they can be encouraged to take time out from the nuts and bolts of recovery to think about another phase of their new lives. Once A.A. members are well informed about service, they often want to become involved and to take on their own service responsibilities."*
