Hosted by Tr-District 91/93/95

AM I RESPONSIBLE?

"At this special meeting, held once every two years, the delegate is elected, typically, along with area officers. It is common for little or no other business to be conducted. In an election year, this assembly is usually scheduled in the fall, with plenty of time for the newly elected delegate and area officers to prepare to take office in the new panel."

— AA Service Manual, pg. 19
